Paying rent:

- Please complete and return *the Direct Debit Form* to RMIT Village. This enables your rent to be deducted automatically from a nominated Australian bank account or credit card;
- You must pay rent for the period from the Contract Start Date to the Contract End Date, by providing monthly payments in advance;
- Rent must be paid four weeks in advance on or before the *Rent Days* described above. In case payment is not provided on or before the above dates or the direct debit transaction declines, the amount in arrears **must** be paid within 7 days from the original *Rent Day*. A dishonour fee of \$20.00 applies for declined direct debit transactions;
- Your account at RMIT Village must not remain in arrears for longer than 7 days. If this occurs, your village account will be placed in the standard debt collection procedure which may result in termination of your contract.
